

# TRANGIE Inner Area

## Residential Growth Area(s)

All residential growth should occur within the RED dotted boundary line for 2018-2038 as this area is already subdivided/ fragmented, has access to existing services, and reduces impacts on adjacent agriculture. Department of Planning & Environment was less willing to consider areas outside the Inner Boundary.

### Legend

- Railway Corridor
- Recreation Area
- Heritage Item
- Industrial Zone (LEP)
- Zone R1 Residential (LEP)
- Existing Zone R5 (LEP)
- Large Lot Res. Proposed (2018)
- Potential Growth (Arrows)
- A** Area (No Priority)
- No.** Lot Number
