

# Small landholding information workshop

Central West Local Land Services are partnering with Council and Narromine Orana Rural Crime Unit to run a **FREE** workshop for landholders with small holdings.

## What questions will be answered?

- What can Local Land Services do for me?
- How can I secure my property? What surveillance cameras should I use?
- Who is responsible for fencing between properties/ neighbours?
- I have a weed problem. Who should I talk to?
- I have sheep, pigs, cattle, horses or other animals on my block. What paperwork do I need?
- How do I know if my sheep are wormy?
- What should I do to control straying dogs or stock on the road?

## What do I need to bring?

- Weeds for identification (include plant roots, stems, flower/seed head – with some water in a sealed plastic bag)
- Notebook / pen
