

INFORMATION DAY

PART 1. SOLAR PUMPING FOR IRRIGATORS

What's new and what you need to know

PART 2. RESIDENTIAL BATTERY STORAGE

Are we there yet?

Come to Part 1 or Part 2 or both!

**TUESDAY
13TH MARCH '18**

Soul Food Depot
1 Dandaloo Street, Narromine

PART 1 SOLAR PUMPING FOR IRRIGATORS

9.30AM TO 12PM

Morning tea & coffee provided (coffee from 9am)

A jam packed day you shouldn't miss - hear **new** information from;

- *Macquarie River Food and Fibre* presenting on the position of growers and the current energy market.
- *Jon Elder*, local cotton grower discussing his **500kW 15meg solar pumping** system - the largest in the state.
- *Ben Lee*, Managing Director of ReAqua will discuss advances in **solar forecasting technology, batteries and floating solar**.
- *Cotton Australia* discussing new policy and case studies.
- Rural Financial Counsellor, *John Jones* discussing how **low interest loans** can help you.

► **It's two years since the Field Day** held at cotton growers *Andrew Gill* and *Ian Corderoy's* farms. Find out how their 100kW solar pumping systems have performed.

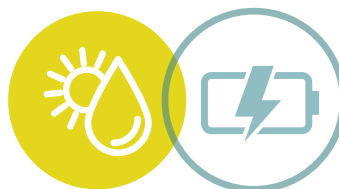

- What are their actual diesel savings?
- Have expected pay-backs changed?
- What would they have done differently?

**RSVP BY
6TH MARCH**

to Karin Stark 04676 02 886
or kstark79@hotmail.com

No RSVP no morning/afternoon tea.

PART 2 RESIDENTIAL BATTERY STORAGE

12.30 - 2.30PM

Afternoon tea provided.

- *Evan Darmanin* from ChargeWorks will outline the case for residential battery storage - talking through information and tools to help you decide if batteries are right for you.
- *Steve Harding*, Director of Solar Pumping Solutions is a Tesla Powerwall Certified Installer based in Mudgee.

Pick up a free M2100 residential battery storage Fact Sheet and a Checklist for Solar Irrigation Quotes.

Your Valley. Your life. Your opportunity.
