Question With Notice from Cr Smith

1. PARKING AT DUNDAS PARK AMENITIES

Does Narromine Shire Council have any plans to improve/extend parking in the vicinity of the public toilet in Dundas Park?

Currently, there is limited parking and those with trailers and caravans are finding it difficult to find enough space to park safely. Once the Narromine Aquatic Centre reopens, parking will be at a premium and this will exacerbate the situation.

Response from General Manager

Please see report from Director Infrastructure and Engineering Services.
