COUNCIL MEETING

The next Ordinary Council meeting will be held Wednesday, 8 May 2019, in Council's Chambers, commencing at 5.30 pm.

**LEVEL 3 WATER RESTRICTIONS
REMAIN IN PLACE**

Level 3 water restrictions remain in place in Narromine town at this time. Thank you to all residents for water saving efforts to date which has seen an overall drop in water usage by about 10%. Despite the cooler weather, lower water levels in supply aquifers mean that restrictions will remain in place at this time and will be evaluated month by month.

An overall further reduction by another 10% remains a target. If residents need to alter watering times outside of set times, please contact Council. Further information in regards to restrictions can be found on Council's website at <https://www.narromine.nsw.gov.au/environment/water-restrictions>.
