

RED GUIDE POSTS

WORKING TOGETHER IN WEED MANAGEMENT

Identifying priority weed locations

NO WORKS OR STOCK MOVEMENT BETWEEN THE POSTS

Contact your Council's Biosecurity Weeds Officer before entering these areas, as fines exist

WHY?

- To identify known locations of priority weeds
- To alert machinery operations of the site
- To encourage liaison with Local Council Biosecurity Weed Officers on each site's requirements
- To prevent further spread of priority weeds

FURTHER INFORMATION

Contact your Local Council Biosecurity Officer—Weeds:

P: 02 6889 9999
