**LEVEL 3 WATER RESTRICTIONS REMAIN IN PLACE**

Level 3 water restrictions remain in place in Narromine town at this time. Thank you to all residents for water saving efforts to date. For more information, visit <https://www.narromine.nsw.gov.au/environment/water-restrictions>.

**OFFICIAL OPENING OF THE GLENN MCGRATH CRICKET NETS**

The Glenn McGrath Cricket Nets have recently been redeveloped, in plenty of time for the 2019-2020 cricket season. The nets will be formally opened by Glenn McGrath himself on **Saturday, 6 July** at **2 pm** at Dundas Park in Narromine. Come along for a free cricket skills clinic run by Cricket NSW, followed by a free BBQ lunch to celebrate the opening of the nets.

**RE-HOMING RATE OF DOGS A CONCERN**

Companion animal ownership comes with great responsibility and saying **YES** to a pet means that you are accepting a duty of care for its lifetime welfare. On average a dog can live between 10 -15 years.

Things that you need to consider when deciding what type of pet would best suit your environment and lifestyle includes:

- |   |   |
|---|---|
| <ul style="list-style-type: none"><li>• <b>Space</b> for a pet</li><li>• <b>Security</b> to confine a pet to the yard</li><li>• <b>Adequate shelter</b> for the pet</li></ul> | <ul style="list-style-type: none"><li>• <b>Lifestyle</b> to devote to a pet</li><li>• <b>Time</b> to devote to a pet</li><li>• <b>Affordability</b> for the pet</li></ul> |
|---|---|

Once you have considered these factors, you may have a greater understanding of the type of pet that would suit you and your family. Sometimes, the most responsible thing you can do is decide not to have a pet, until your circumstances change.
