Delivery Program – 4.3.1.5 - Provide monthly cash balances and detailed quarterly financial reports to

Council.

Executive Summary

The Quarterly Budget Review Statement ("QBRS") must be prepared by the Responsible Accounting Officer and presented to Council within two months of the end of the quarter.

Report

The Quarterly Budget Review Statement (QBRS) has been prepared for the 31 December 2022 quarter and is presented to Council as **Attachment No.3**.

Council adopted its budget for the 2022-23 financial year as part of the Operational Plan at the 22 June 2022 Council Meeting. Since then the following changes have occurred –

- a) Since the start of the financial year Council has adopted recommendations from staff which have also impacted on the budget result. These changes have already been approved by Council and are included in the "Approved Changes Column" in the Income and Expenditure Review Statement of the QBRS document.
- b) A review of the last three months has been carried out by staff and the changes are included in the "Variations for this Quarter" column of the QBRS document.

The net result of all changes for the year to the end of December 2022 is **Nil** as all adjustments have been funded from Reserves or Carryover Works approved by Council at the August 2022 meeting.

The financial position of Narromine Shire Council as at 31st December 2022 is considered to be satisfactory and is confirmed by the Report from the Responsible Accounting Officer.

Summary

The Office of Local Government released guidelines on the preparation of Quarterly Budget Review Statements (QBRS) to Councils in December 2010 with mandatory reporting in line with the guideline which commenced in July 2011.

The QBRS must show, by reference to the estimated income and expenditure that is set out in the operational plan adopted by Council for the relevant year, a revised estimate of income and expenditure for that year.

It also requires the Budget Review Statement to include a report by the Responsible Accounting Officer as to whether or not they consider the Statement indicates Council to be in a satisfactory financial position (with regard to its original budget) and if not, to include recommendations for remedial action.

Financial Implications

Council's original budget was adopted on 22 June 2022 and reflected a balanced overall cash-based budget.
