Executive Summary

This supplementary report provides Council with information from a written submission received relating to the Integrated Planning and Reporting Documents.

Report

This report should be considered together with Item No 2 of the General Manager's Report – Integrated Planning and Reporting Documents.

A submission has been received from the Narromine Turf Club (following publication of the business paper) in relation to water usage charges. The Narromine Turf Club have stated they maintain a Council facility at their expense and should therefore not be charged for the cost of water to maintain the racecourse unless Council reviews charging all other sporting clubs and users in the same way (a copy of the public submission is provided to Council under separate cover).
