**REDUCTION OF SPEED LIMIT AT NARROMINE RAILWAY LEVEL CROSSINGS**

Council advises that from **Wednesday 28 April 2021**, speed limits at level crossings along the **Inland Rail route** will be reduced to a maximum of 80km/h.

**Transport for NSW** advises that new specially designed speed zone signs will be installed about 400 metres from the level crossings along **The McGrane Way (Tullamore Road) and Tomingley West Road** in the Narromine Shire local government area.

NSW Transport has developed a policy to reduce the speed limit from 100 km/h to 80 km/h at level crossings controlled by boom gates and flashing lights to lower the risks of collisions.

This new speed zone around level crossings along the **Inland Rail route** in Narromine and Parkes local government areas will **be the first in the Central West** to be reduced, in a bid to improve safety.
