

COUNCIL COLUMN – WEDNESDAY 7 MAY 2025
NEXT COUNCIL MEETING

The next Ordinary Council meeting will be held on **Wednesday 14 May 2025** at Council Chambers commencing at 5.30 pm.

PUBLIC NOTICE – NORTHERN DRAINAGE STORMWATER PIPE

Narromine Shire Council would like to advise the community that construction works have commenced to improve the stormwater pipeline system. These works are essential to enhance drainage and mitigate potential flooding during heavy rain. Council asks residents to take note of any traffic management measures in place and exercise caution when travelling through the area. The project is expected to be delivered over a six-month period with completion by 30th June 2025, weather permitting. There will be various intermittent road closures during this time with detours and traffic management in place throughout different stages of the project.

For further inquiries, please contact Narromine Shire Council via email mail@narromine.nsw.gov.au or call 6889 9999.

ROAD CLOSURES and ROAD SAFETY

All road updates, traveller information and personalised alerts for **all NSW roads including Narromine Shire Council's roads** please visit www.livetraffic.com/

Up to date road closures and information is available 24/7 on [livetraffic.com](http://www.livetraffic.com) or by phoning council or via social media channels. Motorists are reminded to proceed with caution on all roads. For any further information about Narromine Shire Council's roads go to www.narromine.nsw.gov.au/residents/road-conditions

DRIVE SAFELY THROUGH ROADWORKS

With multiple road improvement projects currently underway across the Shire, Council urges all motorists to exercise caution when approaching and driving through roadwork zones. Please reduce your speed, remain alert for hazards, and be prepared to stop when required. It is essential to follow all signage, adhere to the designated speed limits, and comply with directions from traffic controllers. The safety of both drivers and road workers depends on responsible and attentive driving.

REGISTER AND MICROCHIP YOUR PET

There are legal requirements to microchip your pets by a certain age, but did you know you also have to register your pets? Registering your pets can give you the ability to assign and update your pets' details if you move addresses, change contact details or in the case of a change of ownership. **Working dogs do need to be microchipped and registered, though registration is at no charge.** Find out more about keeping your best mate safe by visiting: www.petregistry.nsw.gov.au/owners/microchipping
