

APPLICATION FOR A WATER SUPPLY CONNECTION 2021/22

NAME: _____

POSTAL ADDRESS FOR ACCOUNTS: _____

CONTACT PHONE NUMBER: _____ MOBILE: _____

I apply to have a _____ mm (size of connection) water service connection, complete with meter to (address of service)

Lot: _____ Section: _____ DP: _____

Street No : _____ Street Name: _____ Town: _____

NOTE:

- Water connection charges are as indicated in Council's Management Plan.

Meter Size	Fee (ext GST)	GST	Fee (inc GST)
20 mm	\$ 918.00	\$0.00	\$ 918.00
25mm	\$ 988.00	\$0.00	\$ 988.00
32mm*	\$1,310.00	\$0.00	\$1,310.00
40mm*	\$1,605.00	\$0.00	\$1,605.00

- The connection of a 20mm or 25mm water service will be approved for each rateable town lot.
- * The connection of water services **larger than 25mm** must be approved by the Engineering Services Department and will be subject to adequate mains supply pressure.
- Connections outside the water service area require separate application and may involve the extension of water mains. The full cost of connection, including any mains extension to be borne by the applicant, or residents within the extended water service area.
- A water meter connection will generally be installed within 10 working days of the water connection being approved and payment of the water connection fee. The customer will be contacted when the work has been completed by Council, only if the contact information is provided on this form.
