Service Address						
Property Details	Lot		Section		DP	

NOTE:

1. The connection of a 20mm or 25mm water service will be approved for each rateable town lot.
2. Connections outside the water service area require a separate application and may involve the extension of water mains. The full cost of the connection, including any mains extension to be borne by the applicant, or residents within the extended water service area.
3. A water meter connection will generally be installed within 10 working days of the water connection being approved and payment of the water connection fee. The customer will be contacted when the work has been completed by Council, only if the contact information is provided on this form.
